1. World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meeting. The Team meeting will take place on Friday 29 April at 19:30 (online).
2. Teams play a single round-robin. The top 4 teams qualify for the play-offs. In the semi-final games teams placed first will play teams placed 4th and teams placed 2nd will play teams placed 3rd. The winners will play in the Gold Medal Games and qualify their Member Association for the ECC-B 2022; the losers will play in the Bronze Medal Games.
3. All games are scheduled for eight (8) ends, with extra end(s) to break tied games.
4. There will be a nine (9) minute practice for each team before each round robin game. The practice starts 30 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones, except for the first session of the women's games, where a coin toss will determine first and second pre-game practice.
5. The last stone advantage in the first end of the round robin games will be decided by playing LSD stones as per WCF rules.
6. First named teams in each draw play the stones with the dark coloured handles, and wear dark coloured upper playing garments. Second named teams in each draw play the stones with the light coloured handles, and wear light coloured upper playing garments.
7. The ice for the post round robin games has been pre-determined. They are listed in the official playing schedule above.
